A LETTER FROM MRS. SUTTON

(Continued from First Page.)

one of the prosecutors, proposed to take him out on a preliminary hearing and release him on a very light bond, while Mr. Smith, the other prosecutor, waived his prosecution for the time, but it is said wanted \$100 to compromise, so while we were getting the bond arranged he decided to detain Mr. Sutton on his warrant, but being a Mason the other Masons went to him and finally got him to withdraw his prosecution altogether. This is where you made your greatest error in your article—in regard to Mr. Smith. Mr. Crum, the prosecutor upon whose warrant Mr. Sutton was bailed, used his influence for a minimum bond and told me he was not disposed to press the suit, but wishes an investigation as to Mr. Sutton's sanity or insanity.

These are the facts as best I could gather them and I hope you will give them space in your paper that I may not be placed in a false attitude before the good people of Homerville.

Mrs. M. J. Sutton.
The Star cheerfully gives place to Mrs. Sutton's statement, though we recited the incidents of the unfortunate affair as given to the reporter, but Mrs. Sutton was several times overcome during the recital of her sad story and did not give the names of parties who prescuted the case.

ACTS IMMEDIATELY

Colds are sometimes more troublesome in summer than in winter. It's so hard to keep from adding to them while cooling off after exercise. One Minute Cough Cure cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles. Anti-Monopoly Drugstore.

SPRING PARK

It is with much sadness that we chronicle the death of another pioneer resident of our town, Mrs. F. Moss, which occurred at her home Sunday, the 27th inst. at 8:55 p. m., after a very painful illness of over a week. Mrs. Moss was an exemplary Christian woman, a constant attendant at church and their weekly meetings; a kind neighbor and ever ready to lend a helping hand in time of need. She was an active member of the Ladies' Village Improvement Society and will be much missed there as well as by the entire community. She leaves a daughter and several grandchildren, besides a host of friends, to mourn her death. The funeral took place at her home Monday afternoon, conducted by Rev. I. W. Ogle, of Ocala, and the body was laid to rest by the side of her husband and grandson in our village cemetery.

None of the relatives of Mrs. Moss were with her during her illness or burial, but she had the best of care, as Mrs. Hamilton and Mr. Yingst and wife were with her through it all and made her last hours as comfortable as possible.

As Alex. Peterson was returning from Ocala Monday forenoon, with the casket for Mrs. Moss' remains, his horse was taken sick from coffee and died when about two miles this side of Ocala. Mr. Peterson was obliged to go and get T. C. Thomsen to assist him and take the casket to the house where the friends had been waiting over two hours. Mr. Peterson's horse was formerly owned by Mrs. S. S. Hall and we doubt if there were ever many ladies here who did not take a ride after "Bess" with our dear friend "Susan" as driver, and we feel sad at its untimely end.

A very dangerous operation was performed upon Walter Webber, son of Mr. and Mrs. Fred Webber, at the hospital in Ocala Saturday morning, the 26th inst. The surgical work was done by Dr. E. Van Hood and assistants and consisted of the removal of three tumors, the largest one being about the size of a big hen's egg. They were on the neck under the right and in close proximity to the large jugular vein. The operation was successful and our little friend is doing finely at this writing (the 29th), and it is hoped that he will be able to be brought home within a week or ten days.

Fred Webber has shipped nine barrels of pears from the Post place, which he purchased last year.

THE PERFECT LIVER MEDICINE

Mrs. M. A. Jolley, Noble, O. T., writes: "I have used Herbine for a number of years, and can cheerfully recommend it as the most perfect liver medicine, and the greatest blood purifier. It is a medicine of positive merit, and fully accomplishes all that is claimed for it." Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever-producing poisons. Herbine is a most efficient liver regulator. 50c. at Anti-Monopoly Drugstore.

THE FLORIDA SHIP CANAL

(Continued from First Page.)

produced on this or any other continent has been done with cassava and velvet beans. Enough beef cattle could thus be raised and fattened in the valleys of the Withlacoochee, Oklawaha and St. Johns rivers to supply all of the United States east of the Mississippi and if water ever ran low in the canal we could fill it up, on occasion, with buttermilk. The people owning stock in such a canal and its franchises could stand up with the Standard Oil folks. Port Inglis and Jacksonville would be two of the greatest shipping ports on this continent—Port Inglis for all interior domestic points, all of Mexico and South America; Jacksonville for every other port in the world.

Do let us all work together to promote and build this canal by this route. If the United States government would build this canal and put some of the money now being spent in reclaiming and irrigating the arid and often frozen, poor lands of the West, into the draining and subsequent irrigation of the lands along my chosen canal way, with our perfect climate and rich lands and almost endless variety, and opportunity of production, more than a thousand per cent. of profit and good would be realized for every dollar spent, for people from everywhere would flock here and settle, and "live long and prosper." Besides all of the above good things so easy of achievement I know where there are deposits of gold and copper and platinum, * * * and there are among the largest, richest and most easily mined deposits of kaolin, iron, gypsum and magnesla situated in Levy county to be found in America and they will all be worked in a little while. SAVES A WOMAN'S LIFE

To have given up would have meant death for Mrs. Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by Anti-Monopoly Drugstore. Price 50c. and \$1. Trial bottles free.
